This summer as vacations came to an end, days became shorter and August approached, reminding families that the new school year was close at hand, an idea came to several members of St. Stephens Church of Orinda. Realizing the expensive costs of sending kids back to school and knowing in these difficult times many people

wouldn't be able to afford new school supplies, St. Stephen's Outreach Committee started the "Backpack Project," promising to donate 100 backpacks and school supplies to St. Cornelius School in Richmond.

St. Cornelius is an elementary school that provides underprivileged children in the Richmond area

a chance to have a great education and stay safe despite living in poverty.

In order to fulfill this ambitious project, St. Stephens reached out to the community at large, and received an enthusiastic response. Many families generously answered the plea for help and countless backpacks were given to the church, the

donators expecting no thank you or recognition. Together St. Stephen's and the Lamorinda community were able to successfully give all 100 backpacks to St. Cornelius for Kindergarten through 3rd grade.

On Monday, August 17th community and church members alike gathered to assemble the backpacks and supplies and deliver them to St. Cornelius School, where the excited students came with their parents to pick out a new backpack filled with all the supplies needed for the year! This project was especially significant because it allowed families to help fellow families, and kids to help other kids. It was a heart-warming experience for everyone involved, and left a lasting impression of the generosity of our wonderful community. We hope to make this an annual event, if interested in helping next year, please call St. Stephen's Church at 254-3770 or email roxygklein@comcast.net.

We are pleased to make space available whenever possible for some of Lamorinda's dedicated community service organizations to submit news and information about their activities. Submissions can be sent to storydesk@lamorindaweekly.com, with the subject header In Service to the Community.

Between 300-500 music fans enjoyed the Rock the Plaza concerts over the last three Fridays. Members of the Lafayette Rotary Club sold Casper's hot

dogs, grilled chicken sandwiches and beverages from Diablo Foods. The raised money will benefit local school and music programs.
