

Late Spring's Focus on Wealth and Abundance ... continued from page D10

A money tree symbolically activates the Wood area of this Lafayette home.

Make sure to go to this far left area of your home and analyze what is there: a cluttered storage room or closet, a bathroom, or some other representation of lacking can drain energy. One of my local clients has a leaking roof and unfinished bathroom in this area and says they have constant "financial leakages" as well. Sometimes, the feng shui is quite literal. Needless to say, fixing this problem is at the top of this homeowner's list. Remember, nothing should be "broken" in this area or you are energetically and quite literally broke.

Endless supply is the first rule of abundance and aligning

yourself with this important distinction of true prosperity is essential for success. Clear the clutter and hide the bathroom with a mirrored outer door. Try balancing this area by placing a purple amethyst to activate wealth and abundance since purple is symbolic of nobility and the nobles were always wealthy.

Remember, prosperity is a state of mind and feeling equally abundant about all areas of your life puts you in harmony with the universe and aligned to receive what you dream for yourself. Dream big!

What is Feng Shui?

Feng shui (or Wind and Water) is the practice of arranging your environment so that energy or "Qi" flows gently and smoothly through your home or business. The principles of feng shui are founded on traditional Chinese medicine, which is based on the dynamic opposites of yin and yang, together with the five elements (water, wood, fire, earth and metal) as well as form, landscape, space orientation and time. Feng shui is about creating a natural equilibrium that promotes health, harmony, stability and prosperity. Feng shui is based on the concept that everything is connected and you and your environment has a life force or energy called "Qi." Just as Qi flows through your body, Qi also flows your through living environment. When the energy flow is stagnant, stuck, obstructed or moves too quickly unbalanced Qi may lead to ill health, domestic strife or financial concerns. Professional feng shui advice, adjustments and blessings help create nurturing energy in the spaces and places we spend the most time in, our homes and offices. The goal is sustainable good luck, good health, harmonious relationships and prosperity.
