Submitted by Sohaila Braam

In their 2019 rankings of lawyers around the world, Chambers and Partners identified Orinda Resident Ben Riley as one of the 12 top litigators in California in the category of Intellectual Property Litigation: Trademark, Copyright & Trade Secrets.

For 30 years, the London-based firm of 200 researchers has conducted thousands of interviews to identify the top lawyers and law firms in the world. Chambers requires that any applicant submit a detailed questionnaire about their practice and cases, and list 20 client and colleague references. Then they conduct telephone and email interviews with each of the references.
