## Readers comments:

And heartfelt thanks for the News you provide us about our area. I quit the Sun many years ago because they were not capturing the important issues in our community. You "nail" that weekly. Thank you so very much. Hate to admit this to you. :-) I would absolutely happily pay to subscribe to your paper.! Just don't want it to go away!!! You're doing a great job!

Thanks for including this in your publication. Publicity in your paper helps. We have over 150 at our January event.

We are excited about the amount of activity we have had from the AD in your paper!! Thank you for allowing us to be part of the Lamorinda Weekly!!!

...the ad in your paper brings in a lot of work

I had a very good respond from the ad. My office just sent the check out today. Thank you again

I am a stay at home mom living in Moraga. .... I read your paper religiously.....

Thank you for your help in advertising our seminar. It's already full and I am still receiving many calls each day.

We're happy with the results achieved by advertising in Lamorinda Weekly so far. We expect to continue for another 13 weeks. It's a pleasure to work with you. Thanks.

Jack has gotten 2 jobs directly from the ad, so that pays for itself in less than a week :) !!!

I appreciate the work you do on covering our local Lamorinda news. The Lamorinda Weekly is the only local paper I think is worth reading!
