**R**enaissance man, gentleman, Citizen of the Year. Longtime Moragan Dick Olsen was lauded by friends during a dinner held in his honor at Saint Mary's College May 3.

Olsen is a well-rounded individual with interests in the arts, business and politics. Part of Moraga's public life since its incorporation in 1974, he could have been nominated Citizen of the Year many times over for his var-

ied achievements – from helping shape the Moraga-Orinda Fire District to providing countless hours of knowledgeable, dedicated service to the town. But beyond his community service it is his character and personality that inspired the evening's speakers, bringing even the toughest among them to the verge of tears.

Olsen held senior leadership positions with Transamerica for 26 years

–as vice president of corporate relations and also as director of the Transamerica Foundation; a position in which he gained a taste for the non-profit world, especially the arts, and started to have an impact on local institutions such as the Berkeley Art Museum/Pacific Film Archive, and the UC Berkeley Young Musicians Program.
