

# Feng Shui for Late Fall

... continued from page D8

Children's photos correctly placed hang prominently in the middle right area of this Moraga home.

Save your plants for better energetic areas of your home or office. If there is a fireplace in this metal area, we can adjust this anxiety-producing mix by applying the water element, which controls fire. Mirrors represent the water element, so placing a mirror over a fireplace in this location adjusts this friction nicely.

You can place metal angels depicting one for each of your children in the same middle-right area of your home's yard. Metal yard sculpture is an excellent way to activate and represent each one of your children. See what transpires.

Feng shui philosophy is based on the ancient but still entirely relevant philosophy of the TAO, which states that everything is connected to everything else. Since this bagua area rules children, too, as we prepare for the holiday season, work with intention to create magic with your kids. What delights can you bring into your home that will dazzle and delight in the candlelit glow of holiday days and nights to come?

As we plan all things sparkly for holiday festivities, borrow the Qi of a child by preparing to make new memories and traditions with joy and inquisitiveness. Include lots of metallic in cozy throws for chilly little kids, warm them up with hot cocoa served in ceramic snowmen mugs, and wrap gifts in abundant golds, silvers,

blue metallic and coppers for an auspicious reflection of the wonder of the season.

Making an effort to delight and dazzle will have many lasting returns and will connect generations in timeless ways.
