Did you know that grenadine is made from pomegranates and its flowers?

When you make your tea in clear glass you get to enjoy the mix of colors. Any leftover tea is poured into a glass pitcher and stored in the refrigerator for a refreshing cold brew.

Many people prefer to make a carafe of sun tea. In a clear glass jug, pour cold water over all of the ingredients you desire. Place the container in full sun with a lid or foil cover. It will take a full day to brew sun tea with the reward of a rich and robust taste.

Whether you enjoy fragrant, sweet, piquant or spicy, tea making is available to you from your garden. After a productive day of working in the garden, I reward my handiwork while sipping a tall glass of iced sun tea concocted from herbs, flowers, and fruits from my own plants. Ah, what a relaxing elixir pausing in the afternoon for tea is.

For years, my daughter and I hosted a radio segment and wrote a column called "Tea for Two: A Mother/Daughter Brew." Today, a cup of tea still connects us in continual conversation.

Plant your garden. It's teatime.

Exotic lemongrass mixed with basil is refreshing, especially as iced tea.
