Moraga awards construction contract for new Canyon Bridge

By Tara Rochlin

For nearly three years, Moraga residents have waited for the completion of a new Canyon Bridge. The bridge was fully funded by Measure B, which passed in 2018. The project was delayed due to the COVID-19 pandemic and the need to comply with environmental regulations.

The new bridge, which was designed by the City of Moraga and constructed by Wright Bros Construction, was opened to the public on March 24, 2023.

In addition to the new bridge, the City of Moraga has also announced plans to construct a new park along the Moraga-Orinda Avenue corridor. The park will include a playground, picnic areas, and a walking trail.

The park will be located at the intersection of Moraga-Orinda Avenue and Big Break Road. The project is expected to be completed in 2024.

Hacienda’s ADA Restroom Installation Project begins this spring

By Tara Rochlin

The Hacienda town council has approved a $100,000 grant to install an ADA compliant restroom at the Hacienda City Park Pavilion. The project was funded by a grant from the City of Concord, as part of their ongoing efforts to improve accessibility for all residents.

The new restroom will feature a wheelchair-accessible stall, grab bars, and Braille signage.

The construction project is expected to be completed in May 2023, and the new restroom will be open to the public for use.

For more information, contact the Hacienda town clerk at 925.682.4879.
